Accompanying Family Members (if applicable)

All applicants must meet all visa requirements, including Genuine Temporary Entrant (GTE) and financial capacity. Accompanying family members must provide evidence of their relationship to the Student:

- Dependent children should provide their birth certificate.
- Married couples should provide their marriage certificate and wedding photographs
- De Facto couples must provide sufficient evidence of their de facto relationship, including evidence that they have lived together (or not permanently apart) for at least 12 months. Examples of evidence of a de facto relationship include:

- bills to the same address under each applicant's name,
- joint leases or mortgages listing both applicants,
- joint bank accounts and assets.
- joint travel and photographs together through the course of the relationship
- [correspondence and explanations for any periods spent apart](#)

Please note: [signed declarations of the relationship](#) by themselves without supporting evidence (for both married and de facto couples) will not be given significant weight in the assessment and this may result in refusal of the dependant applicant.

All family members must be declared in the visa application even if they are not travelling to Australia.

Notes regarding the Student Visa application form

Fill in the form truthfully and completely, certain fields such as student's name, passport details, national ID number and date of issue of national id number are important and failure to fill this in correctly could cause computer errors, delays and potentially problems at the airport if the student is granted a visa. For agents: Please complete the Authorised Recipient section with your details as an education agent. An example below is of the field in the form related to national ID card for the visa applicant. This is very important that it is completed correctly as below as the Department conducts computerised checking against this field as well as other fields such as passport and name. Example for National ID Card Field is below:

National identity card

Enter details exactly as shown on the national identity card.

Family name: (Insert all names)

Given names: (Insert all names)

Identification number: (Insert ID/ number – numbers only sin puntos ni guion)

Country of issue: COLOMBIA

Note: If the National identity card does not have a Date of issue or a Date of expiry, do not enter a date. Leave the field/s blank.

Date of issue: (Insert date of issue)

Date of expiry: (Leave blank)

Please note the following:

- This list is not exhaustive. Applicants/ agents should submit all documents that support their/ their client's application including documents/ certificates/ evidence of registration etc not listed above. Please also note that not all of the documents above will apply to all applicants. Documents with a ★ are required for all applicants, or if not available a declaration as to why the applicant cannot supply this document.
- Please provide most recent documents, for example the latest three tax returns or bank statements.
- Original documents in Spanish must be supplied, English translations should be provided for letters/ declarations/ documents highlighted in blue text as a minimum. Translations are not required for bank statements or tax documents.
- Translations performed in Colombia should be made by official translators where possible. In any case the full name, ID number and contact details of the translator should be noted. Translations performed in Australia must be performed by a NAATI accredited translator.
